

CHAKRA MONEY COURSE

The Chakra Crystal Guide to Amplify Your Intentions

Just as color, sound and essential oils have a certain resonance with the Chakras, so do different living crystals. Since ancient times, crystals have been used for their powerful energetic healing properties. Each crystal has its own unique vibration and properties — The ones listed in the chart are to help you with abundance and prosperity

- Crown Chakra
- Third Eye Chakra
- Throat Chakra
- Heart Chakra
- Solar Plexus Chakra
- Sacral Chakra
- Root Chakra

One of the simplest ways to connect with crystals is through meditation. Start by holding your crystal in one hand as you listen to your chosen chakra money clearing meditation in this course.

You can also put the crystal on the specific chakra you are working on, just pick a stone from the chart. This serves to stir the energy around that chakra and bring up the emotions that you need to heal, amplifying the mediation and helping you clear your blocks.

The more contact you have with a crystal, the more aware you'll be of its energy. You can carry a crystal with you in your pocket or bag and pull it out whenever you need to center yourself or bring your attention back to the intention you're working towards.
